## Obj ective

{ NGB J36 | USCYBERCOM | JFHQ DODIN | DISA | NSA/CSS | ARCYBER }

I'm looking for my next step in network security and cyber operations. I am a highly motivated geek with a passion for the internet. I enjoy breaking things. I love forensics. I want to work on a larger part of the national cyber mission.

## Geek Creds

**Cyber Defense Technician, MIL, SSG/E6, 25B30**

**11/2013-Present (21 Months), ORNG, Defensive Cyber Operations Element (DCOE)**

Duties, Abilities, and Accomplishments

- Cyberspace Operations Planning, DCEO, DCO-IDM, OCEO
- Nominated Team PNW Top Performer, Cyber Guard 2014
- Range Engineering Team (designed the landing points), Cyber Shield 2015
- Kali, Security Onion, and Rucksack Instructor, Cyber Shield 2015
- Forensics, Firmware Reversing, Carving
- Custom Linux image development
- Weapons System Development and Payload Obfuscation

**Hacker at Large, CIV**

**3/2002-Present (Awhile), The Internet**

Duties, Abilities, and Accomplishments

- iPXE BootKit Development
- DEFCON, Chaos Computer Club (CCC), ChaosVPN, Dn42
- I've been both fired and hired for hacking
- Google Dorking / Google-Fu, Data Mining
- Operate several Tor, i2p, and Pond nodes on multiple continents

**Network Engineer, TECH, GS-2210-12**

**6/2012-Present (38 Months), Oregon Army National Guard, J6/DCSIM, NOC**

Duties, Abilities, and Accomplishments

- DMVPN design and troubleshooting
- Manage 60 WAN sites in the state of Oregon
- Manage 3 distributed datacenter networks
- Fluent in Cisco IOS, IOS-XE, and NXOS
- VMware vCenter, vSphere, Nexus 1000v, Orchestrator
- Decent in BASH, PowerShell, and JavaScript
- Pretty good with the CERT NetSA Suite
- NSM/SIEM (Security Onion)

## **Senior Information Systems Specialist, MIL, SGT/E5, 25B20**

**7/2011 – 11/2013 (40 Months), C/STB 41 IBCT**

**Duties, Abilities, and Accomplishments**

- WIN-T, Systems Administration, Network Engineering, Monitoring
- Net Tech for the Brigade Net-Ops Section

## **Electronic Warfare Officer / Combat Engineer, MIL, SGT/E5, 12B20**

**11/2009- 11/2010 (12 Months), TF Thor, JTF Paladin**

**Duties, Abilities, and Accomplishments**

- Route Clearance Operations (Combat Engineer)
- DUKE II, DUKE III, CVRJ, and MMBJ jamming systems
- Calibrate and operate a spectral analyzer to insure jamming accuracy

## **Military Service**

### **CONUS**

- 05/2000 – 05/2006, Oregon Army National Guard, 6 Year Enlistment
- 07/2007 – 07/2013, Oregon Army National Guard, 6 Year Enlistment
- 07/2013 – Present, Oregon Army National Guard, 6 Year Enlistment

### **OCONUS**
