Objective

{ NGB J36 | DHS | ICS-CERT | USCYBERCOM | CTIIC | DISA | NSA/CSS | ARCYBER }

I'm looking for my next step in network security and cyber operations. I am a highly motivated geek with a passion for the internet. I enjoy breaking things. I love forensics. I want to work on a larger part of the national cyber mission.

Experience

Cyber Defense Technician, MIL, SSG/E6, 25B30

11/2013-Present (30 Months), ORNG, Defensive Cyber Operations Element (DCOE)

- Cyberspace Operations Planning, DCEO, DCO-IDM, OCEO
- Cyber Exercise Design
- Nominated Team PNW Top Performer for Cyber Guard 2014
- Principal point-of-contact with external groups in the planning and coordination of efforts to enhance the team's potential to interoperate across state lines.
- Design and build the landing points for Cyber Shield 2015
- Kali, Security Onion, and Rucksack Instructor for Cyber Shield 2015
- Use judgment, initiative, and resourcefulness in deviating from established methods to develop new methods and criteria.
- Forensics, Firmware Reversing, Carving
- Interface with individuals or groups from outside the agency, including consultants, contractors, vendors, or representatives of professional associations, the media, or public interest groups, in moderately unstructured settings.
- Influence and persuade employees and managers to accept and implement findings and recommendations.

Hacker at Large, CIV

3/2002-Present (170 Months), The Internet

- BootKit Development
- Independently plans, designs, and carries out the work to be done
- DEFCON, Chaos Computer Club (CCC), ChaosVPN, Dn42
- Network intrusion and exploitation
- Google Dorking / Google-Fu, Data Mining
- Media malware analysis

Network Engineer, TECH, GS-2210-12

6/2012-Present (46 Months), Oregon Army National Guard, J6/DCSIM, NOC

- Apply IT security principles and methods
- Plan and perform systems administration tasks spanning multiple IT disciplines
- Apply systems administration and systems engineering theories, concepts, and methods
- Design and troubleshooting DMVPN
- Extensive knowledge of the enterprise IT architecture
- Use guidelines that are often ambiguous and express conflicting or incompatible goals and objectives, requiring extensive interpretation.
- Manage all WAN sites in the state of Oregon
- Manage 3 distributed datacenter networks
- Fluent in Cisco IOS, IOS-XE, and NXOS
- VMware virtual infrastructure design and implementation
- Decent in BASH, PowerShell, and JavaScript
- Exercise judgment and initiative in identifying and recommending potential areas for enhancing systems reliability and functionality.
- Pretty good with the CERT NetSA Suite
- NSM/SIEM (Security Onion)
- Frequently interprets regulations on his/her own initiative, applies new methods to resolve complex and/or intricate, controversial, or unprecedented issues and problems, and resolves most of the conflicts that arise.

Senior Information Systems Specialist, MIL, SGT/E5, 25B20

7/2011 – 11/2013 (40 Months), C/STB 41 IBCT

- WIN-T, Systems Administration, Network Engineering, Monitoring
- Affect the availability of systems used by employees at all levels in the organization to effectively accomplish critical business processes.
- Net Tech for the Brigade Net-Ops Section

Electronic Warfare Officer / Combat Engineer, MIL, SGT/E5, 12B20

11/2009-11/2010 (12 Months), TF Thor, JTF Paladin

- Install electronic warfare hardware, firmware, and threat loads for the DUKE II, DUKE III, CVRJ, and MMBJ jamming systems.
 - Calibrate and operate a spectral analyzer to insure jamming accuracy
 - Managed Backup and restore operations as well as disaster recovery for Thor
- 3

Military Service

CONUS

- 05/2000 – 05/2006, Oregon Army National Guard, 6 Year Enlistment
- 07/2007 – 07/2013, Oregon Army National Guard, 6 Year Enlistment
- 07/2013 – Present, Oregon Army National Guard, 6 Year Enlistment

OCONUS

- 11/2009 – 11/2010, OEF, JTF Paladin, RC South, Afghanistan

Civilian Education

03/2005 - Present, Chemeketa Community College

Course of study: Associate of Arts/Oregon Transfer Degree (in progress)

- 97 Credits of General Education

Military Education

- 640 Hours - WLC, 25B MOSQ, and Others

Professional Certifications and Clearances

- GCFA # 10510, attained 9/11/2014
- CCNA, attained 4/5/2013 (Code: 413703867730FLAK)
- CompTIA Security+CE, Network+CE
- Secret Security Clearance, attained 5/29/2009
- Top Secret / SCI, Investigation Complete, Pending Adjudication
